

# PLASTICS DECORATING

# The Surface Summit

Surface Treatment & Cleaning, UV, UV LED  
and Electron Beam Curing for Molded Plastics

Tuesday, Nov. 5, 2019 • Dearborn Inn, Dearborn, Michigan

## Tabletop Exhibits

*Plastics Decorating* Magazine will be sponsoring the Surface Summit on Nov. 5, 2019, in Dearborn, Michigan, at the Dearborn Inn. As part of the full-day event, the foyer outside the presentation area will include tabletop exhibits for suppliers involved with plastics surface treatment and surface cleaning, as well as UV, UV LED and electron beam curing of coatings and inks for plastics. The exhibits will open with a continental breakfast at 8 a.m. and remain open during breaks and an extended lunch.

The cost to exhibit at the 2019 Surface Summit is \$1,200, which includes a 6' draped table with sign, and the price includes one full registration to the Surface Summit event. If you require standard electricity, please let us know, and we will forward an electricity form so you can order directly through the hotel. In addition, each Summit folder will include a tabletop section with your logo and a company write-up describing your company's products and/or services. Your logo and write-up also will appear on the *Plastics Decorating* website under the tabletop tab for the Surface Summit, which will provide additional marketing support leading up to the event.

## Sponsorships

In addition to the tabletop exhibit opportunity, two levels of sponsorships are available for the event which include your tabletop exhibit and will help you market your products/services leading up to the Surface Summit.

### Gold Sponsor: \$4,000
